## PRESS RELEASE

Digital Vision Ltd, a Uniscreen Group company, today announces their agreement for representation of the MUTOH range of digital printers and cutters in the NZ market.

MUTOH represents cutting edge technology, performance and reliability combined with competitive pricing.

Digital Vision will service the range of MUTOH products with trained technicians throughout the country.

MUTOH machines are expected into the Auckland Showroom of Digital Vision by early February '09.

Digital Vision and MUTOH commit to providing the best of performance and support available in NZ.

Yours faithfully,

Adrian Bennett  
Managing Director  
Uniscreen Group

Les King  
Manager NZ  
Digital Vision Ltd
